

Curriculum Vitae

Isaac Rajjman, MD, FACP

Digestive Associates of Houston, PA
6620 Main Street, Ste 1510
Houston, TX 77030
Main: (713) 795-4444
Fax: (713) 795-5254

Academic Rank and Position

President, Digestive Associates of Houston, PA. Houston, Texas

Former Clinical Associate Professor of Medicine
University of Texas Health Science Center

Former Director of Therapeutic Endoscopy
Division of Gastroenterology and Digestive Diseases
University of Texas Health Science Center Houston, Texas

Former Director of Therapeutic Endoscopy
Division of Gastroenterology and Digestive Diseases
University of Texas Health Science Center Houston, Texas

Former Clinical Assistant Professor of Medicine
Division of Oncology and Digestive Diseases
MD Anderson Cancer Center Houston, Texas

Education

College	Colegio Israelita de Mexico (1974-1977) Major Chemico-Biological Science
Medical School	Universidad Nacional Autonoma de Mexico (1978-1984) Degree Obtained: Medico Cirujano (M.D.) Pre-Graduate Internship Hospital General de Mexico. January-December 1983 Mexico City, Mexico
Social Service	Centro de Salud Mexico-Espana. January-December 1984 Mexico City, Mexico
Externship	Internal Medicine. Mount Sinai Medical Center Milwaukee Clinical Campus, University of Wisconsin April-November 1985
Internship/ Residency/ Chief Residency	PGY 1-111, Internal Medicine. Mount Sinai Medical Center Milwaukee Clinical Campus, University of Wisconsin January 1986-December 1988

Chief Medical Resident
Mount Sinai Medical Center Milwaukee Clinical Campus,
University of Wisconsin
January-June 1989

Fellowship

Department of Gastroenterology,
University of Texas at Houston.
Research fellow July 1989-June 1990
Clinical Fellow July 1990-June 1992

Advanced Therapeutic Endoscopy
The Wellesley Hospital, Toronto, Canada
Fellow July 1992-Aug. 1993

Board Certification

American Board of Internal Medicine, Sept. 13, 1989, Number 125737
American Board of Gastroenterology, Nov. 5, 1991, Nov 7, 2001, Number 125737

Medical Licensure

FLEX, December 1986, Wisconsin
Texas License: H7210
DEA: BRO917318
DPS No.: H0073818
Mexico, License Number 1021206

Certification

ECFMG February 1986, Number 389-039-9
FMGEMS 1985

Honors and Awards

Senior Resident Award for Excellence in Clinical
Education, Mount Sinai Medical Center, 1987

Outstanding Senior Assistant Resident
Mount Sinai Medical Center, 1986-1987

Best Medical Student of the Year 1980, 1981, 1982
National Autonomous University of Mexico

Best Doctors in America 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004

Who is Who, International 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004

Who is Who in America 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004

Who is Who in Medicine and Healthcare 2000, 2001, 2002, 2003, 2004

Who is Who in Sciences and Engineering 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004

Who is Who in the South West 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004

Inducted Fellow American College of Physicians, April 2002

Institutional, Departmental, and Divisional Administrative Responsibilities Committee Memberships, and Other Activities

Chief Medical Resident, Mount Sinai Hospital, 1989, Milwaukee
Biliary Pancreatic Advisory Panel, BARD
Midwest Study Group for Pancreatobiliary Diseases
Tumor Pancreatic Study Group, MD Anderson Cancer Center, Houston
Pancreatic Diseases Study Group, University of Texas Health Science Center, Houston
Cancer Committee, St Luke's Hospital, Houston
Chairman, Sub-Committee Gastrointestinal Endoscopy, Memorial Hermann Hospital, Houston
Endoscopic Laboratory Advisory Committee, St Luke's Hospital, Houston
Credentials Committee, Hermann Hospital, Houston
Biliopancreatic Study Group, Hermann Hospital, University of Texas Health Science Center
Advisory Committee, Alveolus Medical Group
Internal Medicine Service Executive Committee, St Luke's Hospital, Houston, TX

Professional and Society Memberships and Appointments

Hospital Appointments

Hermann Hospital, active staff since 10/90
St. Luke's Hospital, active staff since 5/94
Park Plaza Hospital, active staff since 7/95, courtesy since 1/02, canceled 7/03
Methodist Hospital, active staff since 1/96
Provider, Kelsey-Seybold Clinic, active since 1/98
The Dubuis Hospital for Continuing Care, active since 6/98
Texas Children's Hospital, courtesy since 4/01

Professional Organizations

International Association of Pancreatology
American Society of Gastrointestinal Endoscopy
American Gastroenterological Association
Houston Gastroenterological Association
American College of Gastroenterology
American Society of Internal Medicine
Texas Society of Internal Medicine
Harris County Medical Society
Texas Society of Gastrointestinal Endoscopy
Southern Medical Association
American Society for the Advances of Sciences
Asociacion Mexicana de Endoscopia

Reviewer

Gastrointestinal Endoscopy
Endoscopy
Gastroenterology
American Journal of Gastroenterology
Journal of Clinical Gastroenterology
Journal of Critical Illnesses
Revista de Endoscopia (Mexico)

Editorial Board

Hepatitis magazine
Endoscopia (Mexico)

Extracurricular Activities

Painting, sculpting, sports.
Painting Exhibits:
University Center for Mexican-Israeli cultural exchange, Mexico City, 1982
Brit-Shalom Community Center, Houston, 1992

Interviews

Precise PEG placement in jejunum possible using new technique. Gastroenterology and Endoscopy News, Nov. 1991

Duodenal spread of gastric carcinoma. Miami, Fl October 1992

Gastroenterology Observer Duodenal spread of gastric carcinoma. Miami, Fl October 1992

ACG News. Pancreatic and biliary stents. Gastroenterology & Endoscopy News, Sept. 1994

Houston Chronicle. Irritable bowel syndrome. October 2000

Television Broadcast, CBS channel 2. Endoscopic antireflux therapy. Houston, March 2001

Television Broadcast, CBS channel 2. Constipation. Houston, March 2001

Houston chronicle. Irritable Bowel Syndrome. Hosuton, February, 2001

Caracas Newspaper. GERD. Caracas, September, 2001

Endoluminal Gastroplication, Debra Duncan Show, TV Broadcast, Channel 13, March 2002

Languages

Spanish, English, Hebrew, Yiddish

Course Chairman and Faculty

Invited Professor for Live Video Presentations

First Advanced Closed Circuit Endoscopy in Houston, Nov. 11-12, 1995

Second Advanced Closed Circuit Endoscopy in Houston, Nov. 1-2, 1996

Third Advanced Closed Circuit Endoscopy in Houston, Nov. 14-15, 1997

Fourth Advanced Closed Circuit Endoscopy in Houston, Nov 13-14, 1998

A Practical Approach to Gastrointestinal, Pancreatobiliary and Hepatic Diseases, Maui, Feb 6-9, 2000

First training course for International physicians for ELGP. Houston, Dec, 2001

Dr. Rajman's CV

Second training course for International physicians for ELGP. Houston, March, 2002

Third training course for International physicians for ELGP. Houston, June, 2002

Fourth training course for International physicians for ELGP. Houston, Sept, 2002

SouthWestern Hospital. Lectures in Therapeutic ERCP. Dallas, TX Mar 1996

The Thirteen course in Advanced Therapeutic Endoscopy, The Wellesley Hospital, Toronto, Canada Oct 2000

Fourth Annual Endosonography and Therapeutic Endoscopy Meeting, Caracas, Venezuela, Mar 2001

10th Congress of Therapeutic Endoscopy. Sao Paulo, Brazil, 2001

La Sociedad de Gastroenterologia de Jalisco, Colegio Medico, A.C. Guadalajara, Jalisco, Sept 2001

Advances in Therapeutic Endoscopy for the New Millenium, Caracas, Venezuela, Jan 2002

Advances and Controversies in Gastroenterology and Endo-laparoscopic Surgery. Guadalajara, Mexico, Mar 2002

Biannual meeting of the Society of Gastroenterology and Endoscopy, Buenos Aires, Argentina, July 2002

Fifth Live International Therapeutic Endoscopy Course and 4th Latin American Symposium on Endosonography, Mexico City, Mexico, July 2002

XIX Congress of Central America and Panama on Gastroenterology, Hepatology and Digestive Endoscopy. Guatemala City, Guatemala, November 2002

VII Congress, Therapeutic Endoscopy, Gastroenterology and Hepatology. Bogota, Colombia, January 2003

National Congress, Therapeutic Endoscopy and Gastroenterology. Santiago de Chile, Chile, April 2003

XXXI Mexican Congress, Therapeutic Endoscopy and Gastroenterology. Guadalajara, Mexico, September 2003

VIII Annual Gastroenterology and Endoscopy Symposium. Bogota, Colombia, January 2004

13th Mexican Congress of Endoscopic Surgery. Mexico City, Mexico, February, 2004

Hands-on Endoscopic Series: Advanced Endoscopic Retrograde Cholangio-Pancreatography. American Society of Gastrointestinal Endoscopy, Cincinnati, March, 2004

Presentations

Posters

Therapeutic Use of Dypiridamole: Objectivity and Practice. Philadelphia, PA, May 1987

Hormonal and pharmacologic regulation of sodium absorption in rabbit cecum in vitro. American Gastroenterological Association. San Antonio, TX. May 1990

Percutaneous Endoscopic Gastrostomy (PEG) with Jejunal extension: a new technique. American College of Gastroenterology. Boston, MA. Oct. 1991

New technique for combined percutaneous endoscopic gastrostomy and jejunostomy. SAGES, Washington, DC 1992

Biliary leak after laparoscopic cholecystectomy. American College of Gastroenterology. Miami, FL Oct. 1992

Malignant rectal stricture is predictive of tumor stage: Use of endoscopic ultrasonography. American College of Gastroenterology. Miami, R. Oct. 1992

Endoscopic treatment of biliary leak after laparoscopic cholecystectomy. North American Conference of Gastroenterology Fellows. Tampa, FL 1993

De novo formation of pancreatic ductal stones as a complication of pancreatic stents. DDW, Boston, 1993

Efficacy and safety of needle knife-stent sphincterotomy in patients with Billroth II anastomosis. DDW, Boston 1993

Long-term follow-up of endoscopic stenting for benign postoperative bile duct strictures. DDW, Boston 1993

Expandable esophageal stents: Initial experience with nitinol stents. American College of Gastroenterology, New York, 1993

The use of contrast injection to identify tumor margins during expandable esophageal stent placement. American College of Gastroenterology, New York, 1993

Use of expandable stent in the treatment of malignant rectal stricture. American College of Gastroenterology, New York, 1993

Follow-up of patients treated with biliary stents for unextractable bile duct stones. DDW, New Orleans 1994
Endoscopic papillectomy: preliminary data. DDW, New Orleans 1994

Pancreatic stents (PS) in the management of benign pancreatic disorders. DDW, New Orleans 1994

Short-term follow-up of patients with de-novo stones of the pancreas after pancreatic stenting (PS). American College of Gastroenterology, San Francisco, 1994

Endoscopic resection of the papilla of Vater: preliminary data. American College of Gastroenterology, San Francisco, 1994

Biliary stents as definitive treatment of unextractable bile duct stones: mid-term follow-up. American College of Gastroenterology, San Francisco, 1994

Dr. Rajman's CV

Management of benign pancreatic disorders with pancreatic endoprosthesis. American Pancreatic Association, Chicago 1994. Incidence of complications after insertion of pancreatic endoprosthesis (PS). American Pancreatic Association, Chicago 1994

Molecular diagnosis of cancer of the exocrine pancreas. International Association of Pancreatology, Chicago 1994

The spectrum of gastritis in Zambian patients with the acquired immunodeficiency syndrome. International Association of Pathology, Toronto, March 1995

Coated expandable esophageal stents (CEES) in the treatment of malignant dysphagia. American College of Gastroenterology, New York, 1995

Endoscopic palliation of malignant obstruction with expandable esophageal stents (EES). DDW, New Orleans 1994

Preliminary results of a prospective randomized trial of histoacryl Vs endoscopic band ligation (EBL) for acute esophago-gastric variceal hemorrhage. DDW, New Orleans 1994

Management of digestive-respiratory fistulae (DRF) with coated expandable esophageal stents (cEES). DDW, San Francisco 1996

Does chemoradiation therapy (ChXRT) increase the incidence of complications after self-expanding-coated stents (cEES) in the management of malignant esophageal strictures? DDW, San Francisco 1996

The overall complication rate after esophageal Wallstent is related to the esophageal location of the lesion. DDW, Washington, DC 1997

Palliation of malignant dysphagia and fistulae with the Wallstent: Experience with 101 patients. DDW, Washington, DC 1997

Palliation of malignant dysphagia with chemoradiation therapy (ChXRT) does not increase the rate of serious complications with coated Wallstent. DDW, Washington, DC 1997

Tumor factors that may affect the outcome after palliation with the esophageal Wallstent. DDW, Washington, DC 1997

Management of malignant colorectal strictures with expandable endoprosthesis. DDW, Washington, DC 1997

Biliary ductal changes after plastic stents for malignant strictures. DDW, Washington, DC 1997

Endoscopic snare ampullectomy for resection of benign ampullary neoplasms. DDW, Washington, DC 1997

Endoscopic management of biliary tract cancer with the Wallstent: Experience in 121 patients. DDW, Washington, DC 1997

Pancreatic ductal (PD) stones in patients with pancreas divisum: Success of removal and symptomatic improvement: Multicenter study. DDW, Washington, DC 1997

The role of ERCP in patients presenting with clinical disorders following pancreatico-jejunostomy (PJ): Presentation findings and outcome of endoscopic therapy. DDW, Washington, DC 1997

A prospective randomized trial of Cyanoacrylate (CYA) Vs endoscopic variceal ligation (EVL) for acute esophagogastric variceal hemorrhage DDW, Washington, DC 1997

Dr. Rajiman's CV

Palliation of malignant gastric outlet and duodenal obstruction using expandable metallic stents. DDW, New Orleans 1998

Palliation of malignant Colorectal strictures with expandable metallic stents: Experience with 20 patients. DDW, New Orleans 1998

Does the response to plastic stent (PS) predict that of Wallstent (WS) in the treatment of malignant biliary obstruction (MBO)? DDW, New Orleans 1998

Pattern of GI metastases from extragastrointestinal sites. DDW, New Orleans 1998

The role of choledochoscopy in the diagnosis and management of biliary disease: Experience in 55 patients. DDW, New Orleans 1998

Endoscopic drainage of infected pancreatic pseudocysts in the absence of necrosis. DDW, New Orleans 1998

Palliative endoscopic therapy in patients with pancreatic cancer and obstruction of the pancreatic duct using pancreatic stenting. DDW, New Orleans 1998

Evaluation of metastatic celiac axis lymph nodes in patients with esophageal carcinoma (ECA: Accuracy of endoscopic ultrasound). DDW, New Orleans 1998

The use of multiple stents (ms) in the management of liver transplantation-related biliary stricture (ltbs): long-term follow-up. DDW, Atlanta 2001

Indications and outcome of ercp in the management of liver transplantation-related biliary tract disease: experience in 73 patients. DDW, Atlanta 2001

The use of the "layer-lifting" technique in infiltrative gastric disorders. DDW, Atlanta 2001

Management of tracheoesophageal fistulas (tef) via endoscopic suturing: report of 3 cases. DDW, Atlanta 2001

A prospective multicenter study of a bioabsorbable biliary Wallstent (BAS) in 50 patients with malignant obstructive jaundice (MOJ). DDW, Atlanta, 2001

One Year follow up of endoluminal gastroplication: Economic and clinical outcomes of the US multicenter trial. World Congress of Gastroenterology, Bangkok, Feb, 2002

Helical endoluminal gastroplication (elgp) compared to standard elgp in patients with gastroesophageal reflux disease (gerd). DDW, San Francisco, 2002

Helical endoluminal gastroplication: assessment of esophageal function. DDW, San Francisco, 2002

Endoluminal Gastroplication is effective in controlling GERD symptoms in patients with large hiatal hernias. DDW, San Francisco, 2002

Oral Presentations

Purpura fulminans. Medical Grand Rounds. Mount Sinai Hospital. Milwaukee, WI. 1988

Acute hemorrhagic cholecystitis in lupus erythematosus. Scientific day, Mount Sinai Hospital. Milwaukee, WI 1988

Histamine Antagonists. Medical Conference. Mount Sinai Hospital. Milwaukee, WI 1988

Gastric amyloidosis and lymphoma. Houston Gastroenterological Society. Houston, TX 1991

Exocrine pancreatic function. University of Texas Health Science Center. Houston, TX 1991

Absorption of vitamins and minerals. University of Texas Health Science Center. Houston, TX 1991

Peptic ulcer disease and Cytoprotection. San Jacinto Hospital, General Medicine Grand Rounds 1991

Gastric adenocarcinoma spread to duodenum. American College of Gastroenterology. Miami, FL Oct.1992

Peptic ulcer disease. Maintenance therapy. Kelsey- Seybold Clinic, Clinical conference 1992

Endoscopic management of biliary complications after laparoscopic cholecystectomy. Medical Ground Rounds, Wellesley Hospital, Toronto, ON Jun. 1993

Expandable esophageal stents: initial experience with nitinol stents. Microvasive. DDW, Boston 1993

Endoscopic Management of Chronic pancreatitis. Inter-city Rounds. Toronto, ON Jan 1993

Management of Chronic Pancreatitis. Medical Ground Rounds, Wellesley Hospital, Toronto, ON Jan 1993

Gastrointestinal and hepatic amyloidosis, Clinico-pathological-conference, University of Texas at Houston, May 1994

Hepatic Amebiasis, Clinico-pathological-conference, University of Texas at Houston, June 1994

Expandable stents: How, when, and why. Advanced Therapeutic Endoscopy Course, April, Houston

Advances in the Management of Acid-Peptic Disease. Brazoria County Medical Society Meeting, Lake

Gastroesophageal Reflux Disease. Medical Ground Rounds, Wharton, TX 1995

Endoscopic management of benign pancreatic disorders. Southwestern University, Dallas, TX 1995

Expandable Stents: What, When, How, and Why. Greater Houston Society of Gastroenterology Nurses and Associates, Houston, TX 1995

Endoscopic management of Esophagogastric variceal bleeding. First Annual Course of Therapeutic Endoscopy, Houston, 1995

Expandable Stents. First Annual Course of Therapeutic Endoscopy, Houston, Nov 1995

Expandable stents in Gastrointestinal Disease. San Antonio, TX Feb 1996

Expandable stents in gastrointestinal disease. Dallas, TX Mar 1996

Dr. Raijman's CV

Endoscopic Laser Photocoagulation of Lower Gastrointestinal Polyps and Cancer. Endoscopic Gastrointestinal laser Surgery. Philadelphia, Mar 1996

The Use of Expandable stents in Gastrointestinal and Pancreatobiliary Disease. Gut Club. Columbus, OH June 1996

Expandable stents in Gastrointestinal Disease. GI intercity Rounds, Baltimore, MD Aug 1996

The Use of Expandable stents in Gastrointestinal and Pancreatobiliary Disease. Memphis, TN Sept 1996
Expandable stents in Gastrointestinal Disease. Gut Club. New Orleans, LA Oct 1996

Expandable stents in Gastrointestinal Disease. Annual Schneider Meeting, Sarasota, FL Jan 1997

The Use of Expandable stents in Gastrointestinal and Pancreatobiliary Disease. Gut Club, Atlanta, GA Mar 1997

The Use of Expandable stents in Gastrointestinal and Pancreatobiliary Disease. GI inter-city Rounds, West Palm Beach, FL, Apr 1997

Expandable stents in Gastrointestinal Disease. Austin, TX May 1997

The Use of Expandable stents in Gastrointestinal and Pancreatobiliary Disease, Gut Club, San Louis, MO July 1997

Expandable stents in Gastrointestinal Disease. Gut Club, San Francisco, CA Sept 1997

State of The Art Lecture: Enteroscopy: Indications, technique and other approaches in occult or chronic GI Bleeding. Mexican Society of Gastrointestinal Endoscopy. XXV Digestive Endoscopy National Week. Cancun, Mexico, Sept 1997

State of The Art Lecture: Expandable stents in the gastrointestinal and biliary tract. Mexican Society of Gastrointestinal Endoscopy. XXV Digestive Endoscopy National Week. Cancun, Mexico, Sept 1997

Endoscopic Palliation of Luminal GI Cancers. Gastroenterology: Advances in Diagnosis and Management. UCSF, San Francisco. Sept 1997

Expandable Stents in Gastrointestinal Disease. The Delaware Valley Society for Gastrointestinal Endoscopy, Fall Lecture. Philadelphia County Medical Society. Philadelphia, Oct 1997

Flexible Sigmoidoscopy for the Primary Care Physician. A hands-on seminar. Houston, Oct 1997

Clinical Controversies: Management of recurrent idiopathic pancreatitis. Advanced Closed Circuit Endoscopy. Houston, Nov 1997

Current Therapeutic Options for Carcinoma of the Esophagus and Esophagogastric Junction. Clinical Insights, Inc. New York Nov 1997

Expandable stents in Gastrointestinal Disease. One-Day Course, Gastroenterology, Sacramento, CA Feb 1998

The use of expandable stents in gastrointestinal and pancreatobiliary disease. GI Club, Phoenix, AZ, Mar 1998

In Progress

1. Randomized trial of Endoluminal Gastroplication (ELGP) versus Protonix in the Management of Gastroesophageal Reflux Disease. A Multicenter Study. Sponsored by BARD and Wyeth Ayerst. Submitted
2. Physiologic Assessment of the Esophagus Before and After Endoluminal Gastroplication.
3. Physiologic and Histologic Assessment of the Esophagus after Endoluminal Gastroplication Using the Helical Technique.
4. The role of Choledochoscopy and Pancreatocopy in the Management of Pancreatobiliary Disorders. A Single Center Experience.
5. Endoscopic Management of Biliary Tract Complications After Orthotopic Liver Transplantation
6. The Role of Choledochoscopy After Orthotopic Liver Transplantation
7. COX189 TARGET Study. An International, Multicenter, Stratified, Randomized, Double-blind, Double-dummy, Parallel-group, 52-week, gastrointestinal Clinical Safety Study to Demonstrate that COX189 (400 mg od) Reduces the Risk to Develop Complicated Ulcers as Compared to NSAIDs (Naproxen 500 mg bid and Ibuprofen 800 mg tid), in Osteoarthritis Patients. COX189 TARGET Study Part II: Protocol No. CCOX189A2332. Sponsored by Novartis Pharmaceuticals Corporation
8. Endoscopic management of bariatric surgery complications. In progress
9. Is there a different outcome between endoscopic treatment of intrahepatic versus extrahepatic biliary leak? In progress
10. Long-term outcome of endoscopic management of biliary complications after liver transplantation. A six-year study. In progress
11. Endoscopic treatment of pancreatic ascites. In progress
12. Comparative outcome of iatrogenic versus traumatic bile leak after endoscopic versus surgical therapy. In progress
13. Is the rate of iatrogenic acute pancreatitis the same with manipulation of the major papilla versus minor papilla? In progress
14. Can we anticipate ERCP-related pancreatitis? The value of pre-procedure serum CRP. In progress
15. Intra-abdominal vascular disease. A review. In progress
