FINANCIAL POLICY

Welcome to Digestive Associates of Houston, P.A (DAH) and thank you for choosing us! We appreciate your confidence and goodwill. To ensure that we have financial stability and can continue to provide medical services to the community and region, the following policies shall be enforced:

Self Pay/Non-Contracted Plans:

- All charges are due and payable at time of service. We accept cash, checks, and major credit cards. We may reschedule the appointment if payment is not made prior to the services rendered.

Patients with insurance:

- DAH will submit a claim for the current services to your insurance carrier. Insurance carriers are required to pay their portion of the claim within 45 days of receipt. When an insurance carrier is required to pay DAH for a service that has been provided, you are only responsible for what is considered the patient portion of the claim. However, if your insurance carrier rejects, delays, withholds, denies payment of its portion or covers only a portion of treatment for more than 90days from the date of service, both the insurance and patient portions of your account then become your responsibility. Our office policy is to automatically charge your credit card/personal check for any outstanding balance after your account becomes more than 90 days past due. If we subsequently receive payment from your insurance carrier, we will credit your account for the amount of the payment.
- It is the patient's responsibility to determine whether a referral is required, and the referral can be requested from your primary care physician. If you do not obtain a referral from your primary care physician prior to receiving services or a referral cannot be verified by our office, you have the option of re-scheduling your appointment. If you keep your appointment and/or receive services in our office, it is with the understanding that your health plan may not pay for charges related to the services provided by Digestive Associates of Houston, PA and that without a referral you will be responsible for payment of all charges.

No-Show and Cancellation Policy:

- If the patient fails to cancel his/her procedure /test appointment at least 72 hours in advance, the patient is responsible for \$50 fee which will not be applied to any copay, deductible or coinsurance.

Delinquent / Unpaid Account:

- Prior to providing services, payment of prior outstanding accounts will be requested and should be received. Patients with unpaid delinquent accounts or accounts which have been written off to bad debt may be denied treatment if not medically urgent.
- Accounts which cannot be collected by the physician after normal in-house collection procedures may be referred to a collection agency, magistrate, or attorney for further collection action in accordance with the physician's established guidelines. Changes shown by statements are agreed to be correct and reasonable unless protested in writing within (30) thirty days of billing.

Refunds:

- Overpayments will be refunded to the appropriate party, normally the insurance company or guarantor. Patients' refunds will not be processed until all active or past due accounts are paid in full.

Third Party Litigation:

- Our physician will not become involved in disputes arising from third party claims (i.e. automobile accidents, liability claims, etc.)

Insurance / Disability forms:

- There will be a \$25 handling fee to cover the administrative fee for writing a letter or filling out claims forms, such as insurance forms and disability forms (except Medicare patients). The fee is due once the form is completed, and the patient will be directly responsible for this fee.

Returned Checks:

- Checks returned to Digestive Associates of Houston, P.A. for insufficient funds, closed account, stopped payment, or for any other reason will be subject to \$50.00 fee.

Medical Record:

- A reasonable fee of \$25.00 shall be charged for the first twenty pages and \$0.15 per page for every copy thereafter. Requests will be completed within ten (10) business days.

I, the patient/patient's legal representative, understand and agree to abide by the financial policy set forth.

PATIENT INFORMATION SHEET

(Please sign this form only if you need to schedule a screening colonoscopy)

SCREENING COLONOSCOPY

Patients who have screening examinations have no signs or symptoms, and have a set benefit from their insurance company.

You need to be informed that if the physician performing your procedure finds a polyp or abnormality, your benefits may change and your insurance policy will pay differently. The colonoscopy is no longer considered a screening procedure, it is considered a surgical procedure.

I acknowledge that I have read the above statement and will be responsible for my deductible, co-pay and out-of-pocket expenses in the event that my scheduled screening examination does result in a procedure with a polyp or abnormality.
